

MEMORIAL HOSPITAL OF UNION COUNTY
CONSUMER PRICE GUIDE

Revision 01/01/10

GENERAL CHARGE INFORMATION

Memorial Hospital of Union County abides by all state and federal charging and billing regulations for hospital based healthcare services. The following information is published in accordance with Ohio House Bill No. 197 to allow consumers the opportunity to review hospital charges for selected medical services. Although the information provides basic charge information it ***is not all inclusive of the potential charges*** for a given service. It does not include items such as non-routine supplies and medications that can vary significantly among patients. If more detailed or additional information is needed for specific services please contact us at mhuccharge@memorialhosp.org or **(937) 578-2298**.

The information contained here does not include detail on physician charges for radiology, laboratory, surgical, cardiology or emergency services. For physician charge information, please contact the following businesses.
